

## Reinforcement worksheet 1

- Students look at the pictures and read the speech bubbles, then match them by writing the correct number in each answer box.

**Key:** 1 I can play soccer, 2 I can't play basketball,  
3 I can ride a bike, 4 I can play the guitar,  
5 I can't swim, 6 I can play tennis.

- Optional follow-up activity:** Students work in pairs, A and B. Students study the pictures for a minute. Student B puts his/her worksheet face down on the desk. Student A says the name of a character, e.g., *Maskman*. Student B has to remember what the character can/can't do and says *I can play the guitar*. Students A and B exchange roles.

## Reinforcement worksheet 2

- Students look at the pictures and complete the sentences.
  - Monitor and help students with spelling as necessary.
- Key:** My father can play soccer. He can't ride a horse.  
My mother can play the guitar. She can't sing.  
My brother can swim. He can't ride a bike.  
My sister can play basketball. She can't play tennis.
- Optional follow-up activity:** Students work in pairs, A and B. They think of a person in their family and write a sentence about him or her, e.g., *My mother can swim*. They show and read their sentence to their partner.
  - Fast finishers can write additional sentences and draw pictures to illustrate them.

## Extension worksheet 1

- Students look at the code. They complete the sentences by using the code. They draw a picture in box number 3 to illustrate the third sentence.

- Key:** 1 I can play the guitar, 2 I can't ride a bike,  
3 Can you swim?
- Optional pairwork activity:** Students work in pairs, A and B. They write three sentences using the code. They exchange their sentences, then decode them.

## Extension worksheet 2

- Students cut out the pictures from the story and place them in order.
- Students listen to the story (Track 18) and check their work. Then they number the pictures 1–6.

**Key:** 2, 3,  
1, 5,  
6, 4.

- Optional follow-up activity:** Students make a zig-zag book. They fold a piece of letter size thin cardboard in half lengthwise, then fold it again into three sections. They stick the pictures on each side in order.
- You may like to prepare a model in advance to show students the finished book.

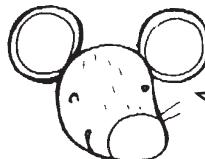

## Song worksheet

- Students listen to the song (Track 19). They complete the song by choosing and copying the correct words. Then they draw in the missing details in the pictures.

**Key:** bike, tennis, basketball, swim, soccer, guitar.

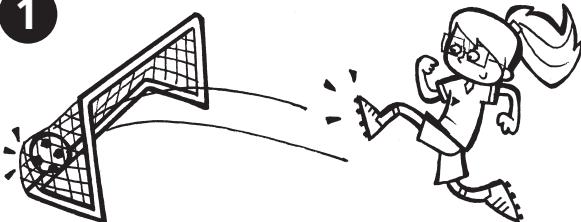

- Optional follow-up activity:** Students work in pairs, A and B. Student A mimes playing a sport. Student B names the sport. Students A and B exchange roles.
