## Test Units 1–4 pp. 98–103

Marks are not shown on the Tests themselves to allow you the flexibility to mark in a way that suits your teaching situation. However, a suggested scheme is given below that you may wish to use. This scheme gives a total of 50 marks for each test. Note that all four skills carry equal weight in the Starters Tests, but the scheme below gives weight to different skills as the children progress from oral–aural work to literacy skills through the year.
